

2007 Cub Scout Popcorn Sale Highlights

Here are some key dates and items to consider for 2007 Popcorn sales:

1. September 17 – First order goes in
 2. September 29 – First popcorn pickup
 3. November 16 – Second (last) order goes in
 4. December 1 – Second pickup
- Note that there are only two order and pickups this year.
 - All the popcorn order forms you could want (the nice, glossy ones) are available from Kirk Sherr. Call him at 703-919-7448 to pick them up for your Den.
 - There are lots of new incentives this year including “mystery houses” where Scouts receive a prize from selling to the designated Mystery House; a special “Sportsman’s Day” for sales over \$750 and a free Camp session for sales over \$250.
 - Prices are the same as last year.
 - Special Bethesda Navy Hospital Program: Unit gets credit for the sale, popcorn goes straight to the hospital, and unit never has to move or handle one bag.
 - This could be done as a Pack or Den service project, as well.
 - Multiple pick-up areas this year
 - If we order \$10,000 or more, they will deliver to the location we choose.
